Re: Boucher for Congress

Amendments to April 15 Quarterly Report, 12th day preceding primary
election on 5-11-96, and July 15 Quarterly Report to add two (2) In-Kind
contributions.

Dear Ms. Tyndle:

Please find enclosed amended Summary and Detailed Summary pages for the three preceding
election periods this year - the April 15 Quarterly Report, the 12th day preceding primary election Report,
and the July 15 Quarterly Report. I have amended these pages to reflect the Boucher for Congress
Committee's receipt of two In-Kind contributions from 2 different political action committees.

Specifically, I have recently learned of two In-Kind contributions - one from the National
Committee for an Effective Congress dated 2-29-96 for \$2,500 for electoral targeting, and the other from
the United Parcel Service Political Action Committee dated 5-15-96 for food served at a fundraiser. Since
it appears that the Boucher for Congress Committee has not previously reported its receipt of these
contributions, I am filing these amendments to update and correct the Committee's records with the
Federal Election Commission. (The adjustments were made on lines 11c, 11e, 16, 21, 22, 24, 25 and 26
of the reports of the Detailed Summary Page and 6a, 6c, 7a and 7c of the Summary Page.)

I apologize for these oversights. The campaign staff has been in a state of transition over the last
several months which has resulted in a number of careless mistakes on the Committee's reports. I can
assure you that we now have the procedures in place which will prevent such oversights from happening
in the future. If you have any questions or need any additional information, please feel free to give me a
call at my home at (540) 628-9540 or through the campaign office at (540) 628-7197.

Sincerely,

Debra S. Goldsmith
